

# Specification

---

8.22299.0500 Piperidine for synthesis

---

---

## Specification

---

|   |   |         |
|---|---|---------|
| Color according to color reference solution Ph.Eur. | not more intensely colored than reference standard Y6 |         |
| Assay (GC, area%)                                   | ≥ 99.0  | % (a/a) |
| Density (d 20 °C/ 4 °C)                             | 0.861 - 0.863   |         |
| Water (K. F.)                                       | ≤ 0.50  | %       |
| Identity (IR)                                       | passes test   |         |
